“ I don't know what to say. Georgia was such a kind and caring woman. Always made sure I felt welcome in her home. I will def miss her. Jim, I love you so much and always will. Please know, no matter what, I've got your back. Just as I count on you to have mine. How could I ever watch a Star Wars movie without you??? Not to mention who could I go to when I need to vent or cry? Who else can I pig out in front of? Seriously tho, you've been my best friend for a lot of years and I hope to continue to be for years. Sorry to go off on what seems like a tangent but it's important that you know this stuff at times like this.

Rachel, I'm so sorry for your loss. I know how close you were. Now you have a personal guardian angel. What a fantastic one she will be.

“ Rachel,  
I'm sorry for the loss of your Mom and know your feelings as I've lost my Mom a few years ago to brain cancer. I am very Honored to have known her and to have serve with her in the American Legion. Together we lead the Department of Connecticut American Legion Family 2015-2016, Georgia President and I Commander, we brought together the American Legion Family during our term with a very well attended Bowling Tournament which continues today. I will sorely miss her and will continue to carry her in my heart.  
Fondly,  
Paul
