“ Dear Heather, JP, Craig & families. I am so sorry for your loss. Bill was such a good guy. I remember both him and Loretta were always so full of energy. I remember your Mom laughing about taking him on the dog sled ride and how his sled tipped over. I know how proud of you all they both were. You are all in my thoughts and prayers.

“ Bill was my mentor when I came into the Facilities Management group at (the then) Northeast Utilities. He was a great guy to work with on any project we got together on. He was always energetic & very talented. Always found humor in things he did & people he associated with. The countless field trips we went on for roof inspections I will always remember, He was a great friend & will be missed. My heart-felt condolences go out to his family & friends.

Sincerely,  
Randy Truax
